

ACE EVAP-KLEAN PLUS

Foaming Evaporator Cleaner

- Ready-to Use
- Recognized under EPA’s Safer Choice Program
- More Economical than Aerosol Coil Cleaners
 - Ideal for Cleaning Micro-Channel Coils
- NSF Registered (P1) for Use in and around Food Processing Areas

DESCRIPTION: ACE EVAP-KLEAN PLUS is a ready-to-use, spray-on, biodegradable, foaming, non-rinse, non-toxic, neutral pH coil cleaner formulated with a unique blend of “environmentally-friendly” surfactants and solvent to clean and degreaser evaporators electronic filters, heat pump units and permanent air filters. ACE EVAP-KLEAN PLUS is recognized for “Safer Chemistry” under the EPA’s Safer Choice Program.

FEATURES & BENEFITS

- Eco-friendly solvent and surfactants quickly emulsifies grease and oil.
- Sewer System Safe.
- Replaces High/Low pH cleaners for rooftop applications.
- Neutral pH – Non-Corrosive.
- OEM Approved for use on Aluminum Evaporator Coils

DIRECTIONS FOR USE: Simply spray ACE EVAP-KLEAN PLUS directly onto coil surface. Leave foam on surface for 5-7 minutes then flush coil surface with clean water. Cleaner can be left on coil for condensate to wash off providing current conditions insure adequate condensate water when unit put back in service
