BIO-KLEAN AEROSOL (BKA)
Bio-Enzymatic Aerosol
Coil & Drain Pan Cleaner

ACE BIO-KLEAN AEROSOL (BKA) is a portable, bio-degradable, bio-enzymatic, non-acid foam coil cleaner that penetrates deep into air conditioner and heating coils to loosen and remove grease, dirt, lint and grime.

Formulated with live bio-enzymes to breakdown organic coil contaminants such as grease, fats, etc. Eliminates odors and stains. Contains pleasant fresh clean scent.

FEATURES & BENEFITS

- No-Rinse Formula - leave on evaporator coil for condensate to wash off.
- Contains "live enzymes" - keeps drain pans and lines clean, block and odor-free.
- Bio-enzymatic action-destroys mold/fungus stains and odors.
- Pleasant citrus fragrance - deodorizes as it cleans.
- Ideal for hard to reach places - wall and window air conditioners, refrigerators, ice machines, freezers, etc.

DIRECTIONS for USE: Protect all electrical equipment/parts with plastic wrap. Spray area thoroughly. Foam breakdown and dirt absorption indicates when surface ready to be flushed clean. For stubborn build-up, repeat process if necessary.

SAFETY: If swallowed, do NOT induce vomiting. Seek IMMEDIATE medical attention. For eye contact, flush with water for 15 minutes. Seek IMMEDIATE medical attention if irritation persists.

CAUTION: Contains Viable Bacteria Culture and LP Gas. Do not store at temperatures above 120°F. **KEEP OUT OF THE REACH OF CHILDREN.**

PHYSICAL PROPERTIES

| | | |
|------------------|-------|--------------------------|
| APPEARANCE | | Thick Foam |
| COLOR | | White |
| PROPELLANT | | LP Gas |
| SPECIFIC GRAVITY | | 1.00 |
| PACKAGING | | 12x20-oz (18oz net)/case |
