#### **SECTION 2. HAZARDS IDENTIFICATION**

# GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200)

: Restricted to professional users.

Not a hazardous substance or mixture.

#### **GHS** label elements

Restrictions on use

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

#### Other hazards

None known.

#### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

Chemical nature : Mineral oil.

#### Components

| Chemical name                         | CAS-No.    | Concentration (% w/w)         |
|---------------------------------------|------------|-------------------------------|
| Distillates (petroleum), hydrotreated | 64742-54-7 | Trade secret (>= 80 - <= 100) |
| heavy paraffinic                      |            |                               |

Actual concentration is withheld as a trade secret

#### **SECTION 12. ECOLOGICAL INFORMATION**

#### Ecotoxicity

### Product:

| Toxicity to fish                                    | : | Remarks: No data available |
|---|---|----------------------------|
| Toxicity to daphnia and other aquatic invertebrates | : | Remarks: No data available |
| Toxicity to algae/aquatic plants                    | : | Remarks: No data available |
| Toxicity to microorganisms                          | : | Remarks: No data available |

#### **Components:**

#### Distillates (petroleum), hydrotreated heavy paraffinic:

| Toxicity to fish :   | LC50 (Pimephales promelas (fathead minnow)): > 100 mg/l<br>Exposure time: 96 h<br>Test Type: static test<br>Method: OECD Test Guideline 203<br>GLP: yes |
|--|---|
| Toxicity to daphnia and other : aquatic invertebrates                            | EC50 (Daphnia magna (Water flea)): > 10,000 mg/l<br>Exposure time: 48 h<br>Test Type: Immobilization<br>Method: OECD Test Guideline 202<br>GLP: yes     |
| Toxicity to daphnia and other :<br>aquatic invertebrates (Chron-<br>ic toxicity) | NOEC (Daphnia magna (Water flea)): 10 mg/l<br>Exposure time: 21 d<br>Test Type: semi-static test<br>Method: OECD Test Guideline 211<br>GLP: yes         |

#### Persistence and degradability

#### Product:

| Biodegradability                   | : | Remarks: No data available |
|------------------------------------|---|----------------------------|
| Physico-chemical removabil-<br>ity | : | Remarks: No data available |

#### **Components:**

#### Distillates (petroleum), hydrotreated heavy paraffinic:

| Biodegradability | : | aerobic                    |
|------------------|---|----------------------------|
|                  |   | Inoculum: activated sludge |

| Result: Not rapidly biodegradable         Biodegradation: 3 %         Exposure time: 28 d         Method: OECD Test Guideline 301B         GLP: yes         Bioaccumulative potential         Product:         Bioaccumulation       : Remarks: This mixture contains no substance considered be persistent, bioaccumulating and toxic (PBT). This mixture contains no substance considered to be very persistent and very bioaccumulating (vPvB).         Components:         Distillates (petroleum), hydrotreated heavy paraffinic:         Partition coefficient: n- : log Pow: > 2         octanol/water         Mobility in soil         Product:         Mobility       : Remarks: No data available         Distribution among environ- mental compartments       : Remarks: No data available         Other adverse effects  | rsion      | Revision Date: 10/15/2021 |       | e of last issue: -<br>e of first issue: 10/15/2021  | Print Date:<br>12/09/2021   |

#### SECTION 13. DISPOSAL CONSIDERATIONS

#### **Disposal methods**

| Waste from residues    | : | The product should not be allowed to enter drains, water courses or the soil.  |
|------------------------|---|--|
| Contaminated packaging | : | Packaging that is not properly emptied must be disposed of as<br>the unused product.<br>Dispose of waste product or used containers according to<br>local regulations. |

#### SECTION 14. TRANSPORT INFORMATION

#### **International Regulations**

UNRTDG

Not regulated as a dangerous good

#### IATA-DGR

Not regulated as a dangerous good

#### IMDG-Code

Not regulated as a dangerous good

#### Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

Not applicable for product as supplied.

#### **National Regulations**

**49 CFR** Not regulated as a dangerous good

#### **SECTION 15. REGULATORY INFORMATION**

#### EPCRA - Emergency Planning and Community Right-to-Know Act

### CERCLA Reportable Quantity

This material does not contain any components with a CERCLA RQ.

#### **SARA 304 Extremely Hazardous Substances Reportable Quantity** This material does not contain any components with a section 304 EHS RQ.

#### **SARA 302 Extremely Hazardous Substances Threshold Planning Quantity** This material does not contain any components with a section 302 EHS TPQ.

This safety data sheet applies only to products as originally packed and labelled. The information contained therein may not be reproduced or modified without our express written permission. Any forwarding of this document is only permitted to the extent required by law. Any further, in particular public, dissemination of the safety data sheet (e.g. as a document for download from the Internet) is not permitted without our express written consent. We provide our customers with amended safety data sheets as prescribed by law. The customer is responsible for passing on safety data sheets and any amendments contained therein to its own customers, employees and other users of the product. We provide no guarantee that safety data sheets received by users from third parties are up-to-date. All information and instructions in this safety data sheet have been compiled to the best of our knowledge and are based on the information available to us on the day of publication. The information provided is intended to describe the product in relation to the required safety measures; it is neither an assurance of characteristics nor a guarantee of the product's suitability for particular applications and does not justify any contractual legal relationship. The existence of a safety data sheet for a particular jurisdiction does not necessarily mean that import or use within that jurisdiction is legally permitted. If you have any questions, please contact your responsible sales contact or authorized trading partner.
