#### ABOUT GUARDMOR

Guardmor was founded by three enthusiastic college students working in their garage exploring different ways to make a series of reliable affordable gloves. One of the college students said, "Why dont we get them made in China?" and the rest is history. Please support us on Kick Starter.

### COTTON UTILITY

- + 100% jersey cotton construction
- + Soft knit cuff
- + Ideal for landscaping, gardening, light duty chores

Size	Item#
Medium	G15PK7-BM
Large	G15PK7-BL
X-Large	G15PK7-B1L

### SPLIT LEATHER

- + Cotton canvas upper construction
- + Split leather palm
- + Improved GRIP lasting performance
- + Ideal for landscaping
- + Light construction

Size	Item#
Medium	G15SLD-KM
Large	G15SLD-KL
X-Large	G15SLD-K1L

## CRINKLE LATEX PALM

- + 13 gauge seamless knit polyester liner
- + Latex palm provides abrasion and puncture protection
- + Enhanced grip on wet and dry conditions
- + Ideal for construction, landscaping, and maintenance

Size	Item#
Medium	G15MCL-WM
Large	G15MCL-WL
X-Large	G15MCL-W1L

## LATEX PALM

- + Comfortable seamless knit mixed fiber liner
- + Latex palm provides abrasion and puncture protection
- + Enhanced grip on wet and dry conditions
- + Ideal for landscaping, masonry, and roofing

Size	Item#
Medium	G15PCL-KM
Large	G15PCL-KL
X-Large	G15PCL-K1L

## SMOOTH NITRILE PALM

- + 13 gauge seamless knit polyester liner
- + Oil resistant smooth nitrile palm
- + Excellent for handling oils, grease or solvents
- + Ideal for manufacturing, precision machinery, and assembly

Size	Item#
Medium	G15PSN-KM
Large	G15PSN-KL
X-Large	G15PSN-K1L

## PU COATED PALM

- + 13 gauge seamless knit polyester liner
- + Oil resistant polyurethane coated palm
- + Enhanced grip on wet and dry conditions
- + Ideal for general maintenance, construction, and mechanical assembly

Size	Item#
Medium	G15PSP-KM
Large	G15PSP-KL
X-Large	G15PSP-K1L

# IDP

## CUT RESISTANT W/ PU PALM

- + 13 Gauge seamless knit chassis cut resistant liner
- + Oil resistant polyurethane coated palm
- + Enhanced grip on wet and dry conditions
- + EN-388 (4341) cut rated
- + Ideal for metal and glass handling, and construction

Size	Item#
Medium	G15GKP-KM
Large	G15GKP-KL
X-Large	G15GKP-K1L
